

ThinkCentre M75s

Small Form Factor

Looking for a versatile device to support existing or new desk workers in your company? This compact, space-saving desktop can be configured to meet a wide variety of user expectations — from basic admin use to extensive productivity tasks. It comes with thoughtful features like Smart Power-On that enables the PC to be started via a keyboard shortcut instead of reaching for the power button.

There are 9x USB ports including five located on the front of the device.

Optimized to reduce power consumption with EPEAT® and Energy Star® certifications.
