

Lenovo recommends Windows 11 Pro for business

Lenovo Smart Locker Solution

Secure, modular, 24/7
self-service solution

 Windows 11

Simplify secure hybrid management

Smarter, reliable, and secure way to manage your assets

With Lenovo Smart Locker Solution, it's easy to support your hybrid employees and deliver the agile work experience they want. Teams can pick up, drop off, and safely store devices on their own schedule. The solution is also ideal for distributing devices to new employees, issuing loaner devices, repairs, and more.

Key features

- Secure portal with real-time data and reporting on Smart Locker usage
- Modular hardware
- Easy integration with common software platforms
- Empowering admin with flexible and configurable set up
- Global support for all your after sales service needs

Benefits

- Single solution with **multiple usage scenarios across multiple industries**
- Allows IT / Admin teams to **easily locate** assets issued via Smart Locker in your organization
- Promotes smarter ways of working and **improve efficiency and productivity of employees**

Hybrid management made easy with Lenovo

Lenovo Smart Lockers are part of Lenovo Workplace Solutions, designed to transform your workplace to meet the needs of your people and environment. Improve productivity and IT efficiency by equipping hybrid employees with the latest Windows 11 Pro devices such as Lenovo ThinkPad Carbon X1. Windows 11 works with cloud tools to help securely manage your hybrid workforce, giving IT teams more time back to focus on strategic innovation.

ThinkPad X1 Carbon

Lenovo

All-in-one, flexible and agile user functions

Designed to address high touch, high dependency workflows while reducing waiting time and manual asset management

Improve user experiences with the versatile Lenovo Smart Locker Solution that can be used for multiple purposes in offices, manufacturing sites, and even aviation environments.

- Assign devices for new hires or refresh devices
- Loan and return laptops, accessories or tools
- Assign and schedule collection of devices for break-fix
- Send items to colleagues across your organization
- Distribute office supplies
- Temporary storage of personal items
- Assignment of loaners
- Store and manage spare parts
- Allocate long term compartments for VIP users

Secure portal to manage and track assets

Status of every asset around the world at your fingertips

Lenovo Smart Locker Solution comes with admin and user portals that are equipped with powerful features and functions such as:

- Visibility and traceability of assets
- Generating reports, setting rules and alerts
- Proactive support even for remote sites
- Reduction of face-to-face interactions

Realization of modern workspace

Digitized solutions for enhanced user experience

Lenovo Smart Locker authenticates each access by:

- Use QR code and/or employee badge for secure checking out of items
- Barcode scanning to track status of valuable devices

ThinkPad X1 Carbon

Smarter transforms user experiences.

With Lenovo Workplace Solutions and Windows 11 Pro, you can easily improve flexibility and control in your workplace. Windows 11 works with cloud tools to help securely manage your hybrid workforce.
