SMARTER TECHNOLOGY FOR ALL

The world now stands at the cusp of a paradigm shift, as the hybrid workforce is set to dominate the future of work. New emerging technologies will help businesses transform and innovate to stay ahead, at the same time enabling the dispersed workforce to collaborate productively from remote locations.

Smarter technology is one with a purpose, that looks ahead and empowers others in achieving new possibilities. This is why Lenovo is all for creating technology innovation for everyone – so that they can pursue the new in their own Intelligent Transformations and eventually transform the world.

Spanning 180+ markets, with a portfolio of strong, diversified products and solutions offerings, Lenovo is well-positioned to lead Intelligent Transformation through Smarter Technology for All. Our vision is grounded on the principles of our 3S strategy: **Smart Internet of Things; Smart Infrastructure;** and **Smart Verticals** – with **Services as the glue that brings them together.**

Lenovo partners with companies to pursue new ways to solve customers' pain points. In particular, Microsoft Autopilot dramatically simplifies Lenovo's PC deployment, while Intel's Transparent Supply Chain guarantees the PC's integrity from manufacture to desk.

Pursue The New With Lenovo For A Smarter Way Forward

Enabling a Flexible Workforce

- We help organisations provide their workforce with the right tools to maximise productivity and collaboration while improving employee experience – no matter where they are.
- Our powerful, agile, reliable devices empower users get more done, with our wide range of **ThinkPad, ThinkBook** laptops, workstations, **ThinkCentre** desktops, tablets, smart collaboration, **ThinkVision** monitors, options and accessories.

Accelerating the Modern Workplace

- As organisations look for ways to accelerate modern workplace transformation, they need to adopt modern IT environments characterised by cloud-based resources to facilitate a work-from-anywhere model.
- Lenovo **Device-as-a-Service (DaaS)** offers lifecycle management, cost-savings and flexibility without compromising on productivity.
- We reduce the configuration, deployment and management tasks – so that you can focus on more strategic matters .

Future-Proofing for Business Continuity

- As organisations re-evaluate their business model for the new normal, our end-to-end technology solutions supported by Lenovo Services will help them future-proof their businesses.
- We help customers grasp the potential of emerging technologies such as **5G, AR/VR, AI** and **predictive analytics.**
- Our one-stop security platform Lenovo **ThinkShield** provides comprehensive security offerings across device protection, threat and data protection, and security management.

Lenovo Options & Accessories

The days of being in the office from 9-to-5 are in the past. With remote work becoming more common, your “office” options are endless, so you should have dependable and portable work tools that match this new flexibility. Lenovo accessories help bridge the gap between the fluid lifestyle of remote work and top-notch productivity.

You can significantly reduce IT managers' efforts by automating critical firmware updates to the dock, with limited interruption to the end-user's workflow - all this with Lenovo Dock Manager.

▶ Learn more

ThinkPad Thunderbolt™ 3 Dock Gen 2

PN: 40AN0135xx

- Universal Compatibility: Works with Lenovo, ThinkPad and any other brands' Thunderbolt™ or USB-C™ enabled laptops.
- 40Gbps transfer rates, 5K video or multi 4K displays, power charging, and multiple ports for peripherals with one cable connection.
- Enterprise IT-Friendly: Supports network manageability such as PXE boot, Wake-on-Lan from a variety of modes, and MAC address Pass Through with ThinkPad Laptops.

ThinkPad Ultra Docking Station

PN: 40AJ0135xx

- Enterprise-class universal docking for 2018 T, L, X, and X1 Series ThinkPad notebooks.
- Innovative side connector minimizes desk space.
- Intel vPro®, PXE boot, Wake-on LAN, and MAC address pass-through.

ThinkPad Hybrid USB-C with USB-A Dock

PN: 40AF0135xx

- PXE boot, Wake-On-Lan, and MAC address pass-through.
- Supports ThinkPad RapidCharge.
- Connects with up to dual UHD 4K display with DP and HDMI ports.

ThinkPad USB-C Dock Gen 2

PN: 40AS0090xx

- Compatible with Lenovo and non-Lenovo notebooks. **
- Connects all peripherals at once, transfer USB data at 10 Gbps speeds, and access to a stable, stress-free wired network connection.
- Two vivid 4K screens or triple 1080p displays.

Lenovo USB-C Mini Dock

PN: 40AU0065xx

- Compatible with USB-C or Thunderbolt 3 designed notebooks. Power notebook up to 45W with the included 65W USB-C power adaptor.
- One USB-C cable can connect to an external 4K or 1080P display* with HDMI or VGA, wired RJ45 network, two USB-A devices, and USB-C power pass-through.
- Provides secure enterprise network manageability such as PXE boot and Wake-On LAN on selected ThinkPad Notebooks.

ThinkPad Thunderbolt™ 3 Workstation Dock Gen 2

PN: 40ANY230xx

- Split docking cable supports Lenovo, ThinkPad and any other brands' Thunderbolt™ or USB-C™ enabled laptops., as well as ThinkPad Mobile Workstation Laptops.
- 40Gbps transfer rates, 5K video or multi 4K displays, power charging, and multiple ports for peripherals with one cable connection.
- Max 170W charging to ThinkPad Mobile Workstation via Slim tip and max 65W charging to Thunderbolt™ or USB-C™ standard laptops.

Lenovo Thunderbolt 3 Essential Dock

PN: 40AV0135xx

- Universal Compatibility: Works with Lenovo, ThinkPad and any other brands' Thunderbolt™ or USB-C™ enabled laptops.
- 40Gbps transfer rates, 5K video or multi 4K displays, power charging, and multiple ports for peripherals with one cable connection.
- Provides secure enterprise network manageability such as PXE boot and Wake-On LAN on selected ThinkPad Notebooks.

Lenovo Docking Station Mounting Kit G2 24", 27" & 32"

PN: 4XF1A14358/4XF1A29616/4XF1A29617

- Easy to setup, mount your dock in 3 steps.
- Mount your Dock to back of Monitor or under your woody desk.
- One bracket to support all ThinkPad cable Docks and specified Thinkvisual T/P monitors.

*: Dock has the ability to support DisplayPort™ 1.4 and HDMI™ 2.0 for max 2 x 4K @ 60 Hz displays, but the real video output would depend on the system's output.

** : DISCLAIMER: Lenovo USB-C & Thunderbolt™ Docks function with notebooks that support industry standard USB-C Alt-Mode or Thunderbolt™ protocols through their Type C port. Lenovo USB-C and Thunderbolt™ Docks support additional features, such as MAC address passthrough, WOL and mirrored power button, on most Lenovo ThinkPad notebooks, but such features may not be available on certain other Lenovo notebooks or non-Lenovo branded notebook systems.

LENOVO PRIVACY & PROTECTION

Lenovo provides privacy filters and solutions for all notebooks, tablets, and monitors, as well as filter evaluation programs for IT managers and security professionals. Designed for sensitive industries, Lenovo's privacy filters transform modern, open workspaces into secure, private ones. Keeping your data safe, complying with corporate and government security policies, and demonstrating your organization's commitment to protecting customer data is now as easy as installing a privacy filter.

LENOVO MONITOR, LAPTOP AND TABLET PRIVACY FILTER PROGRAM

Lenovo offers a reasonable and cost-effective visual privacy solution to help safeguard the personal information displayed on device screens. We have partnered with 3M, the expert in visual privacy, to offer the industry's broadest line of privacy products available for most of our line of monitors, laptops, and tablets with solutions designed to help keep visual hackers in the dark.

FEATURES :

- Block visual hackers from the side with Lenovo's Privacy filter specifically designed for your Lenovo device
- Incredibly slim Lenovo Privacy Filters from 3M™ offer amazing screen clarity and advanced visual privacy protection
- With its matte surface and microlouver technology, Lenovo Privacy Filters help reduce glare while enhancing visual privacy
- Attaching, removing and reattaching Lenovo Privacy Filters is simple and easy
